   (b) take necessary measures to ensure that its vessels comply with conservation and management measures adopted pursuant to the Convention;

   (c) take necessary measures to ensure that fishing for highly migratory fish stocks in the Convention Area is conducted only by vessels flying the flag of a member of the Commission, except that transhipment and supply operations may be conducted in the Convention Area by carrier and bunker vessels flying the flag of states that are not Members or cooperating Members of the Commission authorised under section D below;

   (d) take necessary measures to ensure that any fishing vessel flying its flag conducts fishing in areas under the national jurisdiction of another State only where the vessel holds an appropriate license, permit or authorization, as may be required by such other State;

   (e) undertake to manage the number of authorizations to fish and the level of fishing effort commensurate with the fishing opportunities available to that member in the Convention Area;

   (f) ensure that no authorization to fish in the Convention Area is issued to a vessel that has a history of illegal, unreported or unregulated (IUU) fishing, unless the ownership of the vessel has subsequently changed and the new owner has provided sufficient evidence demonstrating that the previous owner or operator has no legal, beneficial or financial interest in,
or control of the vessels, or the member concerned is satisfied that, having taken into account all relevant facts, the vessel is no longer engaged in or associated with IUU fishing;

(h) take into account the history of violations by fishing vessels and operators when considering applications for authorization to fish by fishing vessels flying its flag;

(i) take necessary measures to ensure that the owners of the vessels on the WCPFC Record of Fishing Vessels flying its flag are citizens, residents or legal entities within its jurisdiction so that any control or punitive actions can be effectively taken against them.

2. No member of the Commission shall allow any fishing vessel entitled to fly its flag to be used for fishing in the Convention Area beyond areas of national jurisdiction unless it has been authorized to do so by the appropriate authority or authorities of that member.

3. Each such authorization shall set forth for the vessel to which it is issued:

(a) the specific areas, species and time periods for which the authorization is valid;

(b) permitted activities by the vessel;

The Commission shall, in accordance with article 24(7) of the Convention and based on the information provided to the Commission in accordance with the Convention and these procedures, establish and maintain its own record of fishing vessels authorized to fish in the Convention Area beyond the national jurisdiction of the member of the Commission whose flag the vessel is flying. Such record shall be known as the WCPFC Record of Fishing Vessels.

D. WCPFC Record of non-CCM Carrier and Bunker Vessels

The Commission shall establish a record of carrier and bunker vessels flying the flag of states that are not Members or cooperating Members of the Commission that shall be deemed to be authorized to operate as carriers and bunkers in the Convention Area. Such record shall be known as the WCPFC Record of non-CCM Carrier and Bunker Vessels.

By [1 July 2008], each CCM shall submit to the Executive Director, in electronic format if possible, the list of the carrier vessels and bunker vessels flying the flags of states that are not
Members or cooperating Members of the Commission that are authorized to receive transhipments and supplies from its fishing vessels in the Convention Area. This list shall include the following information for each vessel:

E. Implementation of the WCPFC Records

9. The Executive Director shall ensure that due publicity is given to the WCPFC Record of Fishing Vessels and the WCPFC Record of non-CCM Carrier and Bunker Vessels including making their contents available through an appropriate website.

10. In addition, the Executive Director shall circulate an annual summary of the information contained in the WCPFC Record of Fishing Vessels and the WCPFC Record of non-CCM Carrier and Bunker Vessels to all members of the Commission at least 30 days prior to the annual meeting of the Commission.

11. Members of the Commission shall review their own internal actions and measures taken pursuant to paragraph 1, including sanctions and punitive actions and, in a manner consistent with domestic law as regards disclosure, report annually to the Commission the results of the review. 15. If such vessel is flying the flag of a member of the Commission, the Executive Director shall notify that member and shall request that member to take the necessary measures to prevent the vessel from fishing for highly migratory fish stocks in the Convention Area and to report back on the actions taken with respect to the vessel.

16. If such vessel is flying the flag of a non-member without cooperating status or if the flag of the vessel cannot be determined, the Executive Director shall inform all members of the Commission so that they may, in addition to measures specified in paragraph 13, take appropriate action consistent with the Convention.

17. The Commission and the members concerned shall communicate with each other, and make the best efforts with FAO and other relevant regional fishery management bodies to develop and implement appropriate measures, where feasible, including the establishment of records of a similar nature in a timely manner so as to avoid adverse effects upon fishery resources in other oceans. Such adverse effects might consist of excessive fishing pressure resulting from a movement of IUU fishing vessels between areas covered by other regional fishery management organizations.
