Members, Cooperating Non-Members and Participating Territories (CCMs) are invited to attend the Eighth Regular Session of the Commission for the Conservation and Management of Highly Migratory Fish Stocks in the Western and Central Pacific Ocean (WCPFC8).

With logistical and administrative support from the US and Guam officials, WCPFC8 meeting will take place in Guam from Monday 26th March to Friday 30th March 2012, with Sunday 25th of March reserved to start the Fifth Session of the Finance and Administration Committee (FAC5). The meeting venue will be the Hyatt Regency Hotel in Guam.

**Preliminary Meeting Documents**

The preliminary documents for the meeting have been prepared and circulated and will be updated during the next 3 months.

**Submission of proposals**

The attention of CCMs is also drawn to the recommendation of WCPFC2 that draft proposals for the consideration of the Commission be tabled 30 days in advance of the regular session (paragraph 30 WCPFC2 Summary Report):

30. **Concern was expressed over the short time frames available for consideration of draft resolutions. The Commission agreed in good faith that, despite Rule 20 of the Rules of Procedure that requires 24 hours notice, Members would try to submit draft proposals 30 days prior to the Annual Session of the Commission in order to allow all Members adequate time for consideration and consultation.**

Wireless Internet will also be available in the main conference room. Most mobile phones will work in Guam. Individual hotels differ in wireless and computer access with some having room availability and others only in the lobby area and it would pay to check with the hotel when booking.

The official currency is the US dollar. Visa, JCB, Master Card, and American Express are widely accepted at stores and visitor facilities. Foreign currency can be exchanged at the airport, banks and other financial centers. There are FDIC insured banks and Automated Teller Machines (ATM) available.

Dining & Shopping Options

There are a number of very good restaurants in Guam and shopping is available in the main street of Tumon.

Breakout Rooms

A limited number of breakout rooms is available at the hotel, one of which will be reserved for the FFA to use and one for the Finance and Administration Committee. However these and others in the complex will be available for small groups as required.
Delegation Rooms

If delegations require delegation rooms you will need to book these at your hotel when booking accommodation as none will be available through the secretariat.

Finance and Administration Committee

The Finance and Administration Committee will start its meeting at 9am on Sunday 25\textsuperscript{th} March 2012. The provisional agenda has been posted on the website and a meeting room for this event will be advised.

Heads of Delegation meeting

It is proposed that Heads of Delegation meet for a short meeting at 3:30pm on Sunday 25\textsuperscript{th} March (venue to be advised) to review arrangements for the meeting and exchange views on making the best use of the time available for WCPFC\textsuperscript{8}. This meeting will be followed by a short meeting to consider CNM applications as occurred last year in Honolulu.

Funding for Developing Countries and Participating Territories

As usual, the Commission will provide support to assist the participation of one formally nominated representative from each developing country and participating territory that is a member of the Commission in the form of a daily subsistence allowance and best economy airfare utilizing the most direct economical route available. Please submit nominations no later than 2\textsuperscript{nd} of February. Could we ask that countries make every effort to advise the WCPFC Secretariat as soon as it is known who will be attending as the earlier we can book airfares we can achieve better rates. Late changes to booking are unlikely to be accommodated as they add significantly to the cost of bookings.

With prior approval, late nominations may, of logistical necessity, be funded on a reimbursable basis after the annual session rather than prepayment, subject to the principle of utilization of the most direct economical route.

Yours sincerely,
