Draft Compliance Monitoring Report covering 2012 activities available for CCMs

Dear All,

To advise that in accordance with CMM 2012-02 paragraph 12 the draft Compliance Monitoring Report (draft CMR) containing a chapter for each CCM, was posted to the CCM side of the WCPFC website this morning: <http://www.wcpfc.int/CMR-2013>. This is as a single MS Excel document which has a page for each of the 39 CCMs.

Responses provided by CCMs (para 11 of CMM 2012-02) including additional information

The responses that WCPFC received in the online system from 15 CCMs before 3rd September, have been used to populate the “CCM additional information” column of a CCMs respective draft CMR. Late submissions of Annual Report Part 1 and Part 2 were not all able to be fully considered in the preliminary draft CMRs prepared by the Secretariat in late August. However, where possible these submissions, responses and some revised figures have been taken into account in the draft CMR evaluations prepared here.

In accordance with paragraph 12 of CMM 2012-02, copies of most supporting documents that some CCMs provided as attachments to their response to the preliminary draft CMR will be posted to the website over the next few days. We intend to maintain copies of any other supporting documentation or responses which CCMs may provide us in advance of TCC9, on the dCMR page on the website. Any further responses from CCMs should be sent to Compliance Manager, Dr. Lara Manarangi-Trott (lara.manarangi-trott@wcpfc.int) and Assistant Compliance Manager, ‘Ana Tahalo (ana.tahalo@wcpfc.int), with a copy to contact.ar@wcpfc.int.

Printable and summary formats of draft CMR

As requested in WCPFC Circular 2013/83 we will be providing to the TCC Chair a summary format of the draft CMR. In addition, ‘Ana and Lara will also look into a more printer-friendly format for the draft CMR together in advance of TCC9.

CCM access to the WCPFC online systems

With draft CMRs published, the Secretariat will be shortly closing off CCM write-access to the online CMS system. However access to the Annual Report Part 2 system will remain enabled for the remaining CCMs that are yet to submit their report. We encourage the CCMs with outstanding Annual Report Part 2 to consider completing their report in advance of TCC9 so that they can be considered received.

If you have any questions please contact Lara or 'Ana

Thanks
