*\*\*The Commission agreed at WCPFC14, that CCMs shall ensure that vessels flying their flag do not purchase, install or transfer the following VMS units: FVT, MAR GE, MAR GE V2, and MAR GE V3 (all Argos units) and that they be removed from the WCPFC approved ALC/MTU list. The Commission further agreed that existing units on vessels shall be allowed to continue to operate for 5 years (until 1 January 2022). CCMs whose vessels use these models shall provide a list of vessels that are using the units to the Secretariat and shall update the list annually.*
