Meeting Registration

In accordance with Rules 6 and 36 of the Rules of Procedure for the CCMs, Observers and others desiring to participate at TCC14 and associated meetings are respectfully requested to advise the Secretariat of contact details for official contacts, designated representatives, alternate representatives and advisers at the earliest opportunity. Participants should use the online registration on the WCPFC website, noting that registrations for multiple meetings can be made on the single form at https://www.wcpfc.int/meetings/tcc14

Funding for Developing Countries and Participating Territories

The Commission will fund the participation (a daily allowance and most direct economical airfare) of one representative from each developing country and participating territory that is a member of the Commission. Formal nominations for participants to receive this support should be submitted to the Secretariat Finance and Administration Manager, Mr Aaron Nighswander at aaron.nighswander@wcpfc.int under the signature of their WCPFC Official Contact for eligible developing countries and participating territories as early as possible but no later than Thursday 23 August 2018.

Eligible member countries are kind requested to make every effort to advise the WCPFC Secretariat as soon as it is known who will be attending as the earlier we can book airfares, the more likely we can achieve better rates. Late changes to booking are unlikely to be able to be accommodated as they add significantly to the cost of bookings.

Yours sincerely,

Feleti Penitala Teo, OBE
