**CONSERVATION AND MANAGEMENT MEASURE TO ESTABLISH A LIST OF VESSELS
PRESUMED TO HAVE CARRIED OUT ILLEGAL UNREPORTED AND UNREGULATED
FISHING ACTIVITIES IN THE WESTERN AND CENTRAL PACIFIC OCEAN**

Conservation and Management Measure 2006-09

The Western and Central Pacific fisheries Commission (WCPFC):

Recalling that the FAO Council adopted on 23 June 2001 an International Plan of Action to prevent, deter and eliminate illegal, unreported and unregulated fishing (IPOA-IUU). This plan stipulates that the identification of the vessels carrying out illegal, unreported and unregulated (IUU) fishing activities should follow agreed procedures and be applied in an equitable, transparent and non-discriminatory way.

Concerned that IUU fishing activities in the Convention area undermine the effectiveness of the conservation measures adopted by the WCPFC.

Further concerned that there is a possibility that vessel owners engaged in such fishing activities may have re-flagged their vessels to avoid compliance with WCPFC measures.

Determined to address the challenge of an increase in IUU fishing activities by way of counter-measures to be applied in respect to vessels, without prejudice to further measures adopted in respect of CCMs and non-CCMs under the relevant WCPFC instruments.

Considering the action undertaken in other regional tuna fisheries organizations to address this issue;

Conscious of the need to address, as a matter of priority, the issue of vessels conducting IUU fishing activities; and

Noting that the situation must be addressed in the light of all relevant international fisheries instruments and in accordance with the rights and obligations established in the World Trade Organization (WTO) Agreement;

Adopts the following conservation and management measures in accordance with Article 10 of the Convention:

Identification of IUU activities

1. At each Annual Meeting, the Commission will identify those vessels that have engaged in fishing activities for species covered by the Convention within the Convention Area in a manner which has diminished the effectiveness of WCPFC measures in force, and shall establish a list of such vessels (the IUU vessel list), in accordance with the procedures and criteria set out in this conservation measure.
2. This identification shall be documented, inter alia, on reports from Members, Cooperating Non-Members and Participating Territories (collectively CCMs) relating to WCPFC Conservation Measures in force, trade information obtained on the basis of relevant trade statistics such as Food and Agriculture Organization of the United Nations (FAO) data, statistical documents and other national or international verifiable statistics, as well as any other information obtained from port states and/or gathered from the fishing grounds which is suitably documented. Information from CCMs should be provided in the format approved by the Commission.
3. For the purposes of this conservation measure, vessels fishing for species covered by the WCPFC Convention are presumed to have carried out IUU fishing activities, as defined in the IPOA on IUU fishing, in the Convention Area when a CCM present evidence that such vessels, inter alia:
 - a. Harvest species covered by the WCPFC Convention in the Convention Area and are not either on the WCPFC record of authorized vessels or a fishing vessel fishing exclusively in waters under their jurisdiction, or
 - b. Conduct fishing activities in waters under the jurisdiction of a state, without permission of that state, or in contravention of its law and regulations, or
 - c. Do not record or report their catches made in the Convention Area as required by WCPFC measures in force, or make false reports, or
 - d. Take and land undersized fish in contravention of WCPFC conservation measures, or
 - e. Fish during closures in contravention of WCPFC conservation measures, or
 - f. Use prohibited fishing gear in contravention of WCPFC conservation measures, or
 - g. Transship with, participate in joint fishing operations with, support or re-supply vessels included in the IUU Vessel List, or
 - h. Are without nationality and harvest species covered by the WCPFC Convention in the Convention Area, or
 - i. Engage in fishing activities contrary to any other WCPFC Conservation Measures, or
 - j. Are under the control of the owner of any vessel on the WCPFC IUU Vessel List.

Information on Alleged IUU fishing activities

4. CCMs shall every year, and at least 120 days before the Annual Meeting of the Technical and Compliance committee (TCC), transmit to the Executive Director a list of vessels presumed to be carrying out IUU activities in the Convention Area during the current and previous years, accompanied by the supporting evidence, as provided in paragraph 2, concerning the presumption of this IUU activity.

Draft IUU Vessel List

5. On the basis of the information received pursuant to paragraph 4 and any other information at his disposal, the Executive Director shall draw up a draft WCPFC IUU Vessel List and shall transmit it, together with all the supporting evidence provided, to all CCMs, as well as to non-CCMs with vessels on the List, at least 90 days before the Annual Meeting of the TCC.
6. CCMs and non-CCMs should transmit, at least 30 days before the Annual Meeting of the TCC, their comments to the Executive Director, as appropriate, including verifiable evidence and other supporting information, showing that the vessels neither have fished in contravention of WCPFC conservation measures nor had the possibility of fishing for species covered by the WCPFC Convention.
7. The Executive Director shall request each CCMs and non CCMs with vessels on the draft IUU Vessel List to notify the owner of the vessels of their inclusion in that List, and of the consequences of their inclusion being confirmed in the IUU Vessel List.
8. Upon receipt of the draft IUU Vessel List, CCMs shall closely monitor the vessels included in that list in order to determine their activities and possible changes of name, flag or registered owner.

Provisional IUU Vessel List

9. On the basis of the information received pursuant to paragraph 6, the Executive Director shall draw up a draft WCPFC IUU Vessel List, and transmit it, two weeks in advance of the Annual Meeting of the TCC, to the CCMs and the non-CCMs concerned, together with all the evidence provided.
10. CCMs may at any time submit to the Executive Director any additional information which might be relevant for the establishment of the IUU Vessel List. The Executive Director shall circulate the information, together with all the evidence provided, to the CCMs and to the non-CCMs concerned, at least two weeks before the Annual Meeting of the TCC.
11. At its Annual meeting, The TCC shall:
 - i) Following consideration of the draft IUU Vessel List and information and evidence circulated under paragraphs 5, 9 and 10, adopt a Provisional IUU Vessel List and submit it to the Commission for consideration and approval;

- ii) Following consideration of the current IUU Vessel List and the information and evidence circulated under paragraph 9, recommend to the Commission which, if any, vessels should be removed from the current IUU Vessel List.
12. A vessel shall be included in the provisional IUU Vessel List only if it has carried out IUU activities as set out in paragraph 3.
 13. The Technical and Compliance Committee shall remove a vessel from the provisional WCPFC IUU Vessel List if the vessel's Flag State demonstrates that:
 - a. The vessel did not engage in any of the IUU fishing activities described in paragraph 3, or
 - b. Effective action has been taken in response to the IUU fishing activities in question, including, inter alia, prosecution, and imposition of sanctions of adequate severity.
 14. Following the examination referred to in paragraph 11, the TCC shall recommend that the Commission approve the provisional IUU Vessel List, as amended by the TCC.
 15. The Draft IUU Vessel List, Provisional IUU Vessel List and the IUU Vessel List shall contain the following details for each vessel:
 - i) name and previous names, if any;
 - ii) flag and previous flags, if any;

 - a) notify the owner of the vessels of its inclusion on the IUU Vessel List and the consequences which result from being included in the list, and

- b) take all the necessary measures to eliminate these IUU fishing activities, including, if necessary, the withdrawal of the registration or the fishing licenses of these vessels, and to inform the Commission of the measures taken in this respect.
17. CCMs shall take all necessary non-discriminatory measures under their applicable legislation, international law and each CCMs international obligations, and pursuant to paragraphs 56 and 66 of the IPOA-IUU, to:
- a. ensure that fishing vessels, support vessels, mother ships or cargo vessels flying their flag do not participate in any transshipment or joint fishing operations with, support or re-supply vessels on the IUU Vessel List;
 - b. ensure that vessels on the IUU Vessel List that enter ports voluntarily are not authorized to land, transship, refuel or re-supply therein but are inspected upon entry;

The Executive Director shall take any measure necessary to ensure publicity of the IUU Vessel List, in a manner consistent with any applicable confidentiality requirements, including placing it on the WCPFC website. Furthermore, the Executive Director shall transmit the IUU Vessel List to the FAO and to other regional fisheries organizations for the purposes of enhancing co-operation between the WCPFC and these organizations aimed at preventing, deterring and eliminating IUU fishing.
19. Without prejudice to the rights of CCMs and coastal states to take proper action, consistent with international law, the CCMs shall not take any unilateral trade measures or other sanctions against vessels on the draft or provisional IUU Vessel Lists, pursuant to paragraphs 5 or 9, or that have been removed from the IUU Vessel List, pursuant to paragraph 13, on the grounds that such vessels are involved in IUU fishing activities.

Deletion from the IUU Vessel List

20. A CCMs and non CCMs with a vessel on the IUU Vessel List may request the removal of the vessel from the List during the intersessional period by providing information demonstrating that:
