INSTRUCTION SHEET

This form is to be issued by the State/Fishing Entity that holds the national quota allocation against which these SBT have been taken.

This form (CMF) must accompany all transshipments, landings of domestic product, exports, imports and re-exports of SBT, and a copy of this form must be provided to the issuing State/Fishing Entity. The only exception is that exportation/import of fish parts other than the meat (i.e. head, eyes, roe, guts, tails) may be allowed without this document. Please note that:

- For farms, Farm Stocking Form(s) must have been produced by the State/Fishing Entity for all SBT on the CMF and the document number of those Farm Stocking Form(s) must be recorded on the CMF.
- Catch Tagging Form(s) must have been completed for all SBT on the CMF and copies must be provided to the issuing State/Fishing Entity. The document numbers of these Catch Tagging Form(s) must be recorded on the CMF.

If a language other than one of the CCSBT official languages (English and Japanese) is used in completing the form, please add the English or Japanese translation on the Document. The Catch Monitoring Form has 3 main sections: (1) Catch/Harvest; (2) Intermediate Product Destination; and (3) Final Product Destination. The Catch/Harvest and Final Product Destination sections must always be completed. However, the Intermediate Product Destination section only needs to be completed if the product is being exported and/or transhipped.

The top of the form contains 2 additional pieces of information that must always be completed. These are:

Catch Tagging Form Document numbers: Enter the unique document number of each Catch Tagging Form that is associated with this form. If there is insufficient room to enter all document numbers, enter this information on a separate page and attach that page.

CATCH HARVEST SECTION - tick and complete only one part

Tick the box to specify whether the catch is for the Wild fishery or for Farmed SBT.

You must complete the part of the Catch Harvest section corresponding to the box that you ticked, and then complete the remainder of the section.

Document number(s) of the Associated Farm Stocking (FS) Form(s): Enter the unique document number of each Farm Stocking Form that is associated with this form. If there is insufficient room to enter all document numbers, enter this information on a separate page and attach that page.
